

From Injury to Recovery

OTB 2025: Orthopedic Trauma and Bone Health

Preliminary Agenda

Day 1 – August 27, 2025

Focus: Orthopedic Trauma, Surgical Innovation, and Emergency Care

08:00 – 09:00 | Registration & Welcome Coffee

09:00 – 09:15 | Opening Remarks

09:15 – 10:00 | Keynote Address: Advancements in Fracture Management and Fixation Techniques

10:00 – 11:15 | Oral Presentation Session I: Emerging Techniques in Trauma Surgery

11:15 – 11:30 | Coffee Break

11:30 – 12:30 | Scientific Session I: Pelvic, Spine & Long Bone Injuries – Current Approaches

12:30 – 13:30 | Networking Lunch & Poster Viewing

13:30 – 14:15 | Keynote Talk: AI and Robotics in Orthopedic Surgery – The New Frontier

14:15 – 15:15 | Oral Presentation Session II: Infection Control and Complex Case Management

15:15 – 15:30 | Coffee Break

15:30 – 17:00 | Panel Discussion: Orthopedic Trauma in the Emergency Room – Protocols, Challenges & Innovations

Day 2 – August 28, 2025

Theme: Bone Health, Recovery, and Future Therapies

08:30 – 09:15 | Keynote Talk: Osteoporosis and Fragility Fractures – A New Era of Prevention

09:15 – 10:30 | Scientific Session II: Bone Regeneration, Stem Cells, and Scaffold Technologies

10:30 – 10:45 | Coffee Break

10:45 – 11:45 | Oral Presentation Session III: Rehabilitation Strategies and Post-Surgical Recovery

11:45 – 12:30 | Oral Presentation Session IV: Innovative Models in Bone Health Management

12:30 – 13:30 | Networking Lunch & Abstract Highlights

(Abstracts will be presented and briefly highlighted in a session with a chance for in-depth discussions during the lunch break.)

13:30 – 14:00 | Expert Spotlight: Simulation and Surgical Training Tools in Orthopedics – Transforming Education and Practice

14:00 – 14:45 | Keynote Talk: Next-Gen Orthopedic Implants and Smart Biomaterials

14:45 – 15:30 | Panel Discussion: Reimagining Recovery – Multidisciplinary Approaches to Orthopedic Care

15:30 – 15:45 | Vote of Thanks & Certificate Distribution

Networking Lunch & Abstract Highlights:

During the networking lunch, we'll have a highlight session where selected researchers will briefly present key findings from their abstracts. This will provide an opportunity for conference participants to directly engage with the latest research and innovations in the field while networking with peers.

Abstract Highlights could be 3–4-minute mini-presentations from leading researchers (or top-scoring abstracts from submissions). This ensures the best work gets showcased before transitioning into the lunch and informal networking.

Register before the early-bird deadline and receive 1-day complimentary accommodation at our venue hotel!

Submit Your Abstract

Send your abstract to:
abstracts@medscinexus.com

Showcase your research to a global audience and contribute to shaping the future of orthopedic and trauma care.

Date: August 26-27, 2025
Dubai, UAE
